

TBS FUNDRAISING

We have an easy way for the Temple to benefit financially when you grocery shop. If you link your Bashas, Albertsons and/or Safeway card to the TBS group number, or buying gift certificates for Bashas and/or Smith, the Temple receives a small percentage of the sale.

These companies are part of the e-scrip and Community Partners programs. They credit non-profit organizations with a percentage of your grocery bill. Simply swipe your card through the reader at checkout, and our account is instantly credited. This is a great way to help fund our temple.

Safeway –swipe your Safeway card that is linked to TBS’s account, the Temple receives an automatic 1%. Go to <https://secure.escrip.com> and link your card to TBS. Our ID number is 10510110.

Bashas –swipe your linked card and the Temple receives 6%. If you have not already given me your card number, you can either email me your information or do it yourself. Just go to <http://www.bashasshopandgive.com/cardno.php> enter the Temple Beth Sholom group number 23134 , and your card number

Albertsons –by using their Community Partner card, the temple receives 1% of total sales every quarter. Simple, email me if you don’t have one of these, I will send it to you.

Smith’s –by purchasing gift certificates, the Temple makes 5%. Just email me and I will purchase the gift certificates for you. They can be in different denominations, like \$5, \$25, \$50 and \$100. Just let me know and I can deliver them to you, or have them at Temple on our next service date. These make great gifts.

This is an easy and great way to help support our Temple. If there are any questions, please do not hesitate to [e-mail the temple secretary](#).
